

## Eye Contact

In this steamy first novel by actor Stephen Collins, Nicolette Stallings - Nick - sees an attractive stranger across a restaurant. Shes with a date; the stranger is with his wife. But when their eyes meet, Nick can tell hes trying to figure out a way to connect. Shell make it easy for him - but hard too. It has to be that night. No names, a nearby hotel room. Theyll never see each other again - which is the way Nick likes to play this game. What she doesnt know is that this time shes met a man wholl flaunt her rules, violate her anonymity. Pushed to the brink, hell take Nick with him. And when hes gone, she will stand alone ...suspected of murder.
