

## The Last Dance: A Novel Of The 87th Precinct (87th Precinct Mysteries Book 50)

The fiftieth novel in the 87th Precinct series, Ed McBain returns to Isola, where detectives Meyer Meyer and Steve Carella investigate a murder which leads them to the seedy strip clubs and bright lights of the theater district. In this city, you can get anything done for a price. If you want someones eyeglasses smashed, itll cost you a subway token. You want his fingernails pulled out? His legs broken? You want him more seriously injured? You want him hurt so hes an invalid his whole life? You want him skinned, you want him burned, you want him dont even mention it in a whisper killed? It can be done. Let me talk to someone. It can be done. The hanging death of a nondescript old man in a shabby little apartment in a meager section of the 87th Precinct was nothing much in this city, especially to detectives Carella and Meyer. But everyone has a story, and this old mans story stood to make some people a lot of money. His story takes Carella, Meyer, Brown, and Weeks on a search through Isolas seedy strip clubs and to the bright lights of the theater district. There they discover an upcoming musical with ties to a mysterious drug and a killer who stays until the last dance. The Last Dance is Ed McBains fiftieth novel of the 87th Precinct and certainly one of his best. The series began in 1956 with Cop Hater and proves him to be the man who has been called so good he should be arrested.
