

Las lunas de Jupiter / The Moons of Jupiter (Spanish Edition)

Una colección de relatos de la autora que actualmente está considerada la maestra mundial en el género. ¿Lean a Munro! ¿Lean a Munro! JONATHAN FRANZEN. Los relatos de este volumen son conmovedores y sorprendentes, y en ellos suceden muchas cosas: traiciones y reconciliaciones, amores consumados y lamentados. Pero los hechos que realmente subyacen en Las lunas de Jupiter son las transformaciones que sufren sus personajes con el paso del tiempo hasta observar su pasado con la ira, el resentimiento y la compasión infinita que nadie sabe comunicarnos como Alice Munro
