

A Childs Christmas in Wales

Dylan Thomass classic account of his childhood Christmases, newly illustrated in full colour by Peter Bailey in a special gift edition. All the Christmases roll down toward the two-tongued sea, like a cold and headlong moon bundling down the sky that was our street; and they stop at the rim of the ice-edged, fish-freezing waves, and I plunge my hand in the snow and bring out whatever I can find...Dylan Thomass lyrical account of his childhood Christmases in a small Welsh town, featuring wolves, bears, hippos and Mrs Protheros cat, has become deservedly famous. This re-designed edition celebrates the centenary of his birth, and features brand-new artwork from illustrator Peter Bailey. A beautiful gift edition of a classic work from one of Britains best-loved writers.
