

## A Discovery of Witches (All Souls Trilogy)

Book one of the New York Times bestselling All Souls trilogy a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight (People) Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.
