Wolverine: The Amazing Story of Marvels Most Dangerous Mutant You have seen the movies. You grew up with the cartoon series. You have seen him make an appearance in your favorite Marvel title. But how much do you really know about the mutant whose past was once shrouded in mystery? Is he just your token berserker that not a superhero team would be complete without - or is there more to the man behind the mask? All these questions and more will be answered by this book. Within these pages are everything you need to know about the character- from his conception as a comic book character in the 70s to his appearance in television and finally the movies. Whats Inside? Included in this ebook is Wolverines publication and character history, a discussion on personality and abilities, the top ten Wolverine stories to date, and his appearances in other media besides comic books.
