

## Act Of Betrayal

When Miami crime reporter Britt Montero reports a missing teenager, she discovers that the case may be related to a string of unsolved disappearances. As Britt delves into the baffling case, an old mystery opens new wounds: she unexpectedly meets two men who knew her deceased father. Through them, Britt learns that he left a diary identifying the man who betrayed him. But the diary isn't easily possessed; anyone who finds it seems to be marked for murder. At the height of a terrifying category five hurricane, Britt needs to face the man who betrayed her father in order to uncover more than one truth, but will her hunger for justice turn her into the next victim?
