

Agony (Rasputin Catamite Book 3)

The Rasputin Catamite gang is back with more down-to-earth horror and shocking revelations in the third installment of this nightmarish LGBTI graphic novel inspired by true stories and folk legends from the Iron Curtain. New revelations emerge as the curtain is lifted from the occult double life of pre-med student, Lechy. High school hockey player Dima learns the bizarre reason why he became a bloodthirsty upir, as goalie Ugly Alex and the beautifully belligerent Zoya, vie for his affection. Sashas hellish stint in boarding school finds a ray of light as a caring principal and a mystical tentacled mermaid reach out to help.
