

The Drug Trial (Mind Control, Impregnation Erotica)

Shes gambling her whole future on one night.(Information on your free gift with purchase below! Dont miss out!)Tracy Bennett is a chemist, and shes working on a particularly interesting project for the government -- all top secret, of course. The goal? Mind control. She wasnt the first person chosen for the job, but the last one ended up violently attacked in a trial gone wrong. If Tracy manages to bring in a working drug, it could mean she is set for life, but the threat of making a deadly mistake pushes the deadline back further and further.One night, her husband tells her that hes solved it. Hes read her files, and hes solved the puzzle of the mind control drugs flaw. All he wants from her in exchange for the solution is one thing: He gets to be the first to test it, on her...PLUS! You get an extra gift! Included in this book is one more story! Continue reading to find out more: Bear Gangs Fertile Prey (Shifters in Billionaire, Rock Star, and Politician Flavors): by Harley Harper. A billionaire. A politician. A rock star. Theyre all bears, and theyre coming for you. Jessabelles camping trip was cut short when she was attacked by three huge bears. They chased her through the woods, forced her to push her body harder than she thought possible. And she tripped. She tripped over a branch, one that stabbed into her foot. Wounded and winded, she turns over to find the bears gaining on her... and changing. Virgil Kreios. A sadistic billionaire (or maybe... a bearllionaire) that ruined Jessabelles life when his bank foreclosed her home. Billy Kallistos. Major rock star who jumps from band to band. Hes well known around the world, and smoking hot. Fox Caomhan. Dirty politician. Female college Republicans around the country love him, but Jessabelle hates him. Thats exactly how he likes it. These three men are werebears, and they wont take no for an answer. Could you handle being attacked by them? Learn how
