

Ant-Man Vol. 1: Second-Chance Man

Scott Lang has never exactly been the worlds best super hero. Heck, most people dont even think hes been the best Ant-Man! And the last guy invented Ultron and joined the Masters of Evil, so thats saying something. But when the Superior Iron Man calls with a once-in-a-lifetime opportunity, and an old enemy returns (sort of), Scotts going to get a chance to turn it all around and be the hero hes always dreamed of being. Thats right, Ant-Mans starting a new life -a bold new adventure - and you know what that means! It means he needs to borrow some money. Sure hes been to prison! Sure hes been through a messy divorce! Sure hes been, um...dead. But this time is different! This time nothing is gonna stop the astonishing Ant-Man!
