

Metaxa and Coke

Jeff looks at some of his old holiday photos. Hes on his way back to the Corfu haunt of his youth, only this time hes fast approaching 40 and beginning to wonder what his purpose is in life. He may not realise it, as he pines for the carefree days when he had confidence and hair, but hes about to embark on a journey of discovery that will bring him the answers hes looking for... and, unbeknown to him, its all hidden in one of those slightly dog-eared pictures and the orange in the tree above his sunbed.
