

AP® World History Premium Edition Flashcard Book (Advanced Placement (AP) Test Preparation)

Getting ready to tackle the AP World History exam? Let REA put the world at your fingertips! REA's World History flashcards offer AP students a fast and fun way to study for the exam! Filled with 400 must-study Advanced Placement World History questions and detailed answers, this Premium Edition Flashcard Book helps you pinpoint your strengths and weaknesses, so you can build your subject knowledge. The multiple-choice questions mirror the actual AP exam format and are chronologically ordered to cover all topics found on the AP World History exam. A handy index lets you look up a particular subject area and review a specific historical time period. This Premium Edition includes four test-readiness quizzes and five world history timelines on CD. Unlike most flashcards that come loose in a box, our flashcards are bound in an easy-to-use, organized book format. These innovative flashcards are designed so students can write their answer to a question on the front of the card, and then compare it to the answer on the back of the card. With no loose cards to drop or misplace, they're perfect for studying on the go.
