

# Artifice

Smart guy-on-guy sci-fi. Listed by The Advocate as one of the Top 5 LGBT Graphic Novels of 2013. Lambda Literary Award Finalist 2014. Deacon, a prototype android soldier, was ordered by his corporate masters to eliminate a team of scientists who knew too much and he has failed spectacularly. Not only did he let one of his targets live -- 19-year-old human outcast, Jeff Linnell -- he attacked the team sent to retrieve him. Now the Corporation demands answers and they have employed the brilliant and ruthless robopsychologist Clarice Maven to get them. Deacon seems desperate to conceal the shocking events that took place on Da Vinci 4, but what chance does he have fighting an adversary who can control his every move? This Kindle edition uses Kindles advanced Panel View technology. Double-tap on the first panel [or any panel] and then tap on the right side of the screen to flow through the panels and pages. Try it! Its cool!
