

## Where to Stay in Spain Portugal and Andorra 1994 (AA/ANWB European Hotel Guides)

Produced by the AA in association with the Royal Dutch Touring Club (ANWB), this is one of a series of guides to accommodation throughout Europe. It contains details of about 1000 inspected hotels, motels and pensions in Spain, Portugal and Andorra, a travellers directory, and a comprehensive section of information for the continental visitor, whether in a car or travelling by air or rail. There are chapters on health and safety and general touring information, with an introduction to each country which covers topics such as motoring, accident procedures, currency and telephones.
