

# Backroads & Byways of New Mexico: Drives, Day Trips & Weekend Excursions

You have to veer off the beaten track to experience the soul and spirit of The Land of Enchantment, and no one knows that inside track better than author Sally Moore. Follow Moore along side roads and quiet trails to trading posts and abandoned stone cities, hidden canyons and soaring vistas, Spanish missions and outlaw hideouts. Ten neatly packaged day trips and weekend getaways take travelers and natives to the fabled, infamous, and stunningly beautiful spots, and reveal the tall tales and scintillating stories behind them. Backroads & Byways of New Mexico is the shortest route a visitor can take to exploring like a native, and for natives to delve more deeply into the history and magic of their home state. 50 black-and-white photographs
