

Schroder (Thorndike Press Large Print Basic Series)

Attending a New England summer camp, young Eric Schroder-- a first generation East German immigrant-- adopts the last name Kennedy to fit in, a white lie that will set him on an improbable and tragic course. Years later, Eric flees to Lake Champlain, Vermont, with his six-year-old daughter in an attempt to outrun the authorities amid a heated custody battle with his wife, who will soon discover that her husband is not who he says he is.
