

Big Bad Wolf (A Miss Hyde Novella Book 3)

Blythe wants nothing more than to get away from this. Not to just survive it, but forget it. Strapped down, nearly naked, beaten, scared and drugged she has no idea where this dark and dismal place is. Kidnapped and being set up to be tortured again by the men who hold her, she has to find a way to break free and get away. Can she dig deep inside and awaken the force that is her alter ego? Can she awaken the beast within? She is drawing hopeless thoughts and losing herself inside of the drugs that are repeatedly given to keep her weak. Miss Hyde has her own list of ideas and not a single one includes just escape.
