

ACE Personal Trainer Flash Cards: Complete Flash Card Study Guide with Practice Test Questions

The effectiveness of flash cards joined with the ease of use and small size of a book! These ACE flash cards are not conventional, but at Trivium Test Prep, we don't subscribe to convention. Traditional flash cards are bulky, difficult to organize, and impossible to use on the go unless of course you bind them with a ring. We did that for you by putting it into the form of a book! These flash cards can be used anywhere, anytime without worry about losing any cards or getting cards out of order...not to mention the sheer bulk of flash cards is condensed into an easy to use size. This flash card set includes must-know information to save time on the ACE exam. These flash cards are essential for the student wanting to increase the test taking speed. You will be ready to ace the ACE exam, in fact, we guarantee it!
