

## Skibber Bee Bye

Ron Rege is one of a handful of cartoonists in the history of the medium not only to reinvent comics to suit his own idiosyncratic impulses and inspirations as an artist, but also to imbue it with his own peculiar, ever-changing emotional energy. To me, he is unquestionably one of the greats. ?Chris Ware  
Skibber Bee Bye  
Ron Rege, Jr., creates his own visual poetry that sets him apart from other cartoonists as one of the most original artists to enter the medium in the past decade. His storytelling is neither linear nor altogether accessible; however, his recognizable thin line and cute characters draw you into a dreamlike, sensitive fantasy world that, as odd as it seems, is entirely realistic.
