

Old Scores: A Detective Barry Gilbert Mystery (Detective Barry Gilbert Mysteries Book 3)

A satisfying series. LIBRARY JOURNAL OLD SCORES is an excellent police procedural, and Barry Gilbert is a human and believable cop. Peter Robinson, award-winning author of the Inspector Banks series When a music mogul is found strangled in his apartment, Detective Barry Gilbert immediately finds out he is no ordinary victim: music-producer Glen Boyd has a prodigious list of enemies, men and women who have any number of reasons to kill him. Even Gilbert once wanted to murder the man for nearly stealing his wife. From Boyds own world-famous ex-wife, to a rock guitarist, to a notorious drug kingpin, Boyds shady business dealings have affected the wrong people in the wrong way. But there is one suspect Gilbert is too close to, and refuses to include even though evidence keeps piling up, Regina, the woman he has been married to for the last twenty years. With outside pressure mounting, time becomes critical, and Gilbert must embark upon a distressing and personal journey to find the true culprit behind this sad but vengeful crime before his family is torn apart.
