

A Long Reach: A Streeter Thriller

Tough, authentic, and right on the money. - Robert B. Parker A LONG REACH The Denver Streets Belong to Streeter Bounty hunter Streeter is a string of exs ex-linebacker, ex-accountant, ex-bouncer, and a four-time ex-husband who excels at exacting justice with explosive results. One of the bestan entertaining series building on the traditions of the hard-boiled genre just enough to have a hell of a lot of fun with them, Thrilling Detective A psychotic felon is released from prison on a technicality and vows to kill everyone he blames for his imprisonmentsaving his defense attorney, Streeters ex-fiance, for last, taunting her with each gruesome death. Streeter is in a race-against-time to hunt down the vicious killer -- but he cant shake the feeling that his old lover is playing a deadly game of her own. Authentic action, in-depth characterization, and a nerve-wracking, cat-and-mouse plot make this a winner. Library Journal .
