

Brought to Book (A Rona Parish Mystery)

Mystery and intrigue with a decidedly literary bent, from the bestselling crime writer - When successful biographer Rona Parish is asked to write the life-story of a bestselling author, recently deceased, she is intrigued - to say the least. After all, Theo Harvey led a very colourful life, and died in mysterious circumstances. But Ronas husband Max is wary and, it soon becomes apparent, with good reason...As Rona begins to delve into Theo Harveys life and death, and to interview his friends and family - some more willing than others - she realises that she has taken on a poisoned chalice.
