

Sofia (Bulgaria) 1:19,000 Street Map in CYRILLIC **Made in Bulgaria**

Sofia (Bulgaria) 1:19,000 Street Map by DOMINO Double-sided street plan of Sofia at 1:19,000, with public transport routes, and an extensive gazetteer of hotels, services, places of interest, etc. All street and place names are in Cyrillic alphabet only. The map covers all of Sofia. On one side is the northern and central part of the city, showing metro, tram, trolleybus and bus routes with stops and line numbers, and annotated with symbols highlighting locations of various facilities. Streets show selected house numbers for easier identification of addresses. Also provided is a map showing the city's minibus taxi routes. On the reverse is the southern part of the city and extensive street index, plus a gazetteer of various facilities and services, including hotels and other accommodation, embassies and consulates, shopping and business centres, cultural institutions, etc. This is an authentic Bulgarian cartography, all names are in Cyrillic as they are in reality. Map legend and all information is in Bulgarian only.
