

Gutmouth

He has a mouth in his gut. An obnoxious, toothy, foul-mouthed, pig of a mouth. Luckily, his girlfriend doesn't seem to mind. Marie, the one-legged stripper and cyber-prostitute love of his life is very accepting of it. And then a little too accepting. What would you do if your girlfriend cheated on you with the voracious yapper under your belly button? If you live in Gutmouth's world—a bleak city where gruesome, spontaneous mutations are no big deal, klepto-roaches take anything not tied-down, drugs turn pain into pleasure, consumers are tortured for growing food, and your best friend is a misogynistic rat-man—you might do something crazy. And what if you got caught?
