

Joyful (Return to Sugarcreek)

Randall Beiler will sacrifice anything to take care of his younger siblings and the family farm, even if it means forsaking love. But when his brother offers pretty Elizabeth Nolt a job cleaning and cooking for the family, Randall is furious -- and feels guilty about the way he once broke Elizabeth's heart. Then he learns that Elizabeth and her grandmother are struggling to make ends meet and he knows the offer, no matter how painful, is the right thing for everyone.
