

## The Unbeatable Squirrel Girl Vol. 4: Who Run the World? (Squirrels)

The hero who refuses to be beat celebrates 11 consecutive issues without a new #1! And shes letting you seize the chance to be the Unbeatable Squirrel Girl in a choose-your-own path encounter with Swarm, buzzkill made of bees! Then, Doreen takes charge of her life -her love life, that is - and starts dating. But just who will kiss a Squirrel and like it? Surely not...Mole Man?! When the subterranean super villain falls deep in love, hes willing to hold the world hostage to get Doreens attention. Can she save everything without becoming Mrs. Mole Man? But enough with the hearts and the flowers and the kissing, you read this book for computer science and super heroics (not necessarily in that order). Youll get both - and more - in a showdown with Count Nefaria!
