

## Winning the Heart of Your Stepchild

I've got the love to give. Now how can I get my stepchild to accept it? Does that question sound familiar? Whether you are presently a stepparent, a dating single parent, or in the courtship stage before marriage, the challenge of blending families is one of the most difficulty you will ever face. *Winning the Heart of Your Stepchild* is a hands-on guidebook for today's men and women who face the special challenge of blending families. Because children must process so many emotions and thoughts -- guilt over the divorce, unrealistic expectations, a sense of panic or fear -- parents must learn to interpret those feelings and behaviors for any new family to succeed. This book shows how to - create an open atmosphere in the home - give reassuring answers to a child's questions - become a strong team with your new spouse - deal with the inevitable challenge to a new authority figure - build a foundation of love, understanding, and personal discipline that will make your new family special. *Winning the Heart of Your Stepchild* provides an indispensable road map for new moms and dads who want one vibrant, happy, blended family.
