

My Heros Home!!: A Guide for Young Children Whose Parents May Have Combat Trauma (Bridges To Healing Series)

Cru Military introduces Book 1 of 3 for children whose families are experiencing Post Traumatic Stress. Follow the story of Cody and Carrie as they discover how and why combat trauma is affecting their family. Explore how God brings the answers to healing, better family relationships, and a brighter future for families struggling through combat trauma. Included are activities for children to personalize their story, learn about and contribute to a positive atmosphere in their home. Parents pages are also include with helpful informations for Mom or Dad.
