

Charlie Joe Jacksons Guide to Not Reading

Charlie Joe Jackson may be the most reluctant reader ever born. And so far, hes managed to get through life without ever reading an entire book from cover to cover. But now that hes in middle school, avoiding reading isnt as easy as it used to be. And when his friend Timmy McGibney decides that hes tired of covering for him, Charlie Joe finds himself resorting to desperate measures to keep his perfect record intact. This is the hilarious story of an avid non-reader and the extreme lengths to which hell go to get out of reading a book.
