

Child of Many Colors: Stories of Transracial Adoption

Transracial adoption has been a hot topic in the media for years, but the real evidence of successful adoptions is found in the everyday lives of adoptive kids and parents. The need for good parenting, unconditional love, and the joy of belonging to a family are universal. And now you can celebrate that joy with these inspiring stories from real transracial families. Shannon Guymon knows from personal experience the difficulties that adoptive parents face, but she also knows how rewarding building your own unique family can be. Join in the laughter, the tears, and all the hugs and kisses that come with belonging to a forever family, no matter what that family looks like.
