

Cinderella, or The Little Glass Slipper

From the acclaimed and popular illustrator of the New York Times bestseller *Alices Adventures in Wonderland* and *Snow White*, comes a unique and visually stunning spin on Cinderella published to coincide with the release of the major-motion picture from Walt Disney directed by Kenneth Branagh and featuring an all-star cast. Charles Perrault's story of a sweet-tempered young girl, forced into servitude by her evil stepmother and stepsisters, who finds true love with a handsome prince (with the help of a fairy godmother), has enchanted readers for more than 300 years. In this lavishly illustrated retelling of the classic fairytale, Camille Rose Garcia reimagines Cinderella through her distinctive visual aesthetic. Hers is a Cinderella for the twenty-first century: dark, compelling, vibrant, and enthralling.
