

Marsha va en Haiti (French Edition)

Marsha sen va en Haiti raconte l'histoire d'une fillette de 8 ans lors de son premier voyage en Haiti, pays d'origine de sa mere. Debordante d'abord d'enthousiasme par l'idée de ce voyage, elle devient extrêmement curieuse et émerveillée des premiers moments de son arrivée dans ce pays où l'on parlait une langue différente. Ses réactions devant le panorama et aux sons qui lui sont tout à fait nouveaux nous font découvrir des petits moments partagés en famille; cette famille composée de ses deux frères, de ses parents et ses grands-parents. A travers ses réactions avec ses derniers, les enfants découvriront Haiti avec les yeux de Marsha, un monde différent mais qui émerveille. Aux adultes, ce livre leur permettra de contempler le monde avec les yeux d'une enfant.
