

Fearless Photographer: Weddings

Written for the photographer who is looking for a fresh, unique approach to wedding photography. Covering new styles and concepts for shooting such as fashion bridal photography and photojournalism, Fearless Photographer: Weddings, teaches readers how to use both their equipment and their people skills to capture beautiful and creative images of weddings that truly show the couples personality and the emotions of the day. The book also shows how to make the most out of any setting to get great photos whatever the wedding location might be.
