

## Compositions for the Young and Old

A jar that holds your deepest secrets and fears. A fireman confronts his past while trying to save a group of children who have fallen through thin ice. A preacher's daughter goes to fantastic and desperate lengths to write a book like Mark Twain. A man who cures people's pain and sadness through laughter finds his greatest challenge in a little boy. In this debut collection by Chizine editor Paul G. Tremblay, there are twenty stories following the chronological arc of a human life. Twenty stories about the young and old, and everyone in-between. Introduction by author of MONSTROCITY and PUNKTOWN, Jeffrey Thomas
