Lestat ha gozado de una existencia cómoda, su supremacía indiscutida en el mundo de la noche colmaba sus aspiraciones. Pero una duda le llevara a replantearse la razón de su existencia. Impulsado por su afán de conocer -a la vez intelectual y argumental, racional y vital- que por primera vez hara tambalear los cimientos de su reinado de penumbras. /

Lestat has enjoyed a comfortable existence, their undisputed supremacy in the world of the night filled their aspirations. But one question will lead you to rethink the reason for their existence.
