

## Delta Force: The Armys Elite Counterterrorist Unit

The definitive insiders account of the U.S. Armys most elite and secretive special-ops unit, written by the legendary founder and first commanding officer of Delta Force. *Wanted: Volunteers for Project Delta*. Will guarantee you a medal. A body bag. Or both. With this call to arms, Charlie Beckwith revolutionized American armed combat. Beckwiths acclaimed memoir tells the story of Delta Force (the Armys most elite commando unit. *Los Angeles Times*) as only its maverick creator could tell it from the bloody baptism of Vietnam to the top-secret training grounds of North Carolina to political battles in the upper levels of the Pentagon itself. This is the heart-pounding, first-person, insiders view of the missions that made Delta Force legendary.
