

Cyclops Volume 2: A Pirates Life for Me

RESCUED ! But by whom? And is it really a rescue...or does this put Scott at greater risk than before? And what bounty are they hunting? Lots of shooting and things blowing up! The bad news: the Starjammers are about to die! The good news: Cyclops is no longer a Starjammer. Scott Summers is aboard a new space pirate ship, with a cruel, cutthroat captain, and a crew of criminals and killers. None of them trust Scott-- and a few just might want to kill him! But, hey, that Captains daughter is kinda cute, right? COLLECTING: Cyclops 6-12
