

## Geezer Sex: A Collection of Short Stories

Geezer Sex is a collection of short stories that includes romance, chance meetings, fantasy and science fiction, tragedy, and nostalgiaall viewed from the perspectives of people who are no longer young but remain youthful in the face of passing years. The stories explore memories from the past, parallel universes, the death of a child, a second chance at love, teeth, and, of course, geezer sex. Varied in content, these twelve stories will evoke laughter, tears, and warm memories for the mature reader.
