

## Dark River Road

One powerful man ...has always controlled this small Southern town. Unchallenged, until now. Like everyone else in Cane Creek, Mississippi, Chantry Callahan grew up in the shadow of town boss Bert Quinton. Quinton held the lives of local people in his harsh grasp, never letting go. He knew where all their secrets were buried, along with the bodies of anyone who had dared to defy him. As a boy, Chantry couldn't best Quinton. Couldn't protect the people he loved, including his own mother. But now Chantry is grown. He's come back for answers. And for justice. A marvelous coming-of-age saga in the new Old South. I couldn't stop reading.-Bertrice Small, author of The Border Chronicles A page-turner filled with small-town passions, dark secrets and danger. I loved it.-Janelle Taylor, bestselling author of the Lakota Skies Series Virginia Brown writes the bestselling Dixie Divas Mystery Series and the Blue Suede Memphis Mysteries.
