

Deadpool Vol. 8: All Good Things

Deadpool has been through a lot recently, and he needs to relax. Sounds like its time for a good, old fashioned, simple merc job. Yes sir, Deadpool in the Middle East...should be nice and uncomplicated, right? Right? No, wrong! And when Deadpool clashes with Russian super-agent Omega Red, this time its personal! Well, for one of them. Sort of. Well explain. But how does Deadpools latest misadventure, and one final fan-favourite flashback tale, lead to the most shocking event of all? (Thats what we call a tease. You have to read the book now, right? Right?) Collects Deadpool (2012) #41-44, 250.
