

## Doing what you love, loving what you do: the ultimate key to

1 cassette / 90 minutes  
Read by the Author  
According to motivational expert Dr. Robert Anthony, permanent happiness and financial freedom can be yours, but only if you are satisfied with all aspects of your life - particularly your work, since that's where so much of your time is spent. Now you can achieve such satisfaction by learning how to take charge of your own destiny. This step-by-step guide shows you how to: \* develop a positive faith in yourself and abilities \* replace risk-fear-failure with challenge - confidence - success \* work hard without being a workaholic \* eliminate should/ought from your vocabulary  
The key to Doing What You Love, Loving What You Do is in becoming a positive, focused, self-confident and goal-oriented person. It can make the difference between dreaming your life and living your dream.
