

## My Now for the Single Parent

Great parents strive to be successful at parenting. Successful parenting includes modeling how to move forward through challenges and over obstacles, regardless of marital status or circumstances. This book is a collaborative effort of former and current single parents from around the country. It is intended to provide you with the motivation you need to take action towards becoming the Worlds Greatest Parent, in spite of being single. It is filled with stories, tips, and techniques that will inspire you to embrace your vision, finalize your plan, and seize this moment--NOW.
