

Michelin Green Guide Dordogne Berry Limousin (Green Guide/Michelin)

The updated Michelin Green Guide Dordogne Berry Limousin presents some of the most visited, and some of the least visited, areas in France. Visitors will recognize the Dordogne and the Quercy, characterized by river valleys, castles and caves. The Berry and Limousin areas with their unspoiled countryside and plateaux are not so well known but definitely worth a visit. The guides star-rating system for attractions, colorful maps, recommendations for accommodations and restaurants, and driving and walking tours ensure an enjoyable and successful visit.
