

Appalachian Trail Thru-Hikers Companion: 2002

The Appalachian Trail Conference and a group of A.T. thru-hikers collaborate on a guide especially designed for potential thru-hikers who want the basic information for a five- to six-month trek in the woods, at a reasonable price, but also want the adventure of finding out the extras for themselves. With research by more than a dozen thru-hiker volunteers in 14 states, backed by the first-hand information of the Trails volunteer and staff maintainers and managers.
