

Clair De Lune (Assassin Shifters) (Volume 3) (French Edition)

Dakota Cadotte est sur la route et seul. Chasse de sa meute par son Alpha parce qu'il est gay, Dakota se réfugie dans le décor sauvage de la réserve de Denali. Quand il s'aventure trop loin de sa zone de sécurité, il est heurté de plein fouet par un camion sur l'autoroute, et tombe droit dans les bras de Sam Waters. Ils sympathisent immédiatement, en tant qu'homme et loup, mais Dakota a peur que Sam ne se montre pas aussi compréhensif lorsqu'il comprendra sa vraie nature. Quand il se transforme devant lui, des étincelles jaillissent, mais le passé de Dakota et sa meute menacent leur nouvelle relation.
