ALARMING TALES: A NEW DIMENSION IN SUSPENSE ALL 6 CLASSIC HORROR COMIC BOOKS FROM THE 1950s - OVER 200 PAGES OF HORROR FROM THE 4TH DIMENSION Horror and terror comics are comic books and graphic novels focusing on scary stories, supernatural phenomena and horror/terror fiction. In the US market, horror comic books reached their peak in the late 1940s through the mid-1950s, when concern over content and the imposition of the self-censorship Comics Code Authority contributed to the demise of many titles and the toning down of others. Horror comics are still a leading genre of the comic book industry, second only to the superhero faction. This book contains all 6 issues of the classic horror comic books Alarming Tales published in 1957-8 ENJOY!
