

## The One Hour Union Jack. Make a Super Simple British Flag in under One Hour (Easy Craft Projects Book 1)

If you came to the UK this year to witness history in the making, what better way to commemorate your visit than by making your own British flag? I created a super simple way to make your own souvenir Union Jack using a step-by-step format is so easy, I whipped it up in under one hour using scrap materials from my stash. (It also works well for a purse/bag, poster, scrap book cover, travel journal, post card, greetings card, book marker, photo album cover or hot water bottle cover).
