

## East End at Your Feet (Topliners)

M Books are a collection of contemporary literature for children and teenagers. They can be used as shared texts or as individual readers and are graded into five age ranges for teacher guidance from age 7 to 14 plus. This is a selection of six stories about London teenagers from Asian and English families. The author describes, through the teenagers eyes, their life in Britain today. This book is aimed at the reluctant reader.
