

Eight Little Faces

Becoming the parents of eight children in less than four years has definitely presented both trials and blessings to Jon and Kate Gosselin. In this very personal close-up of their family life, Kate comments on the life lessons God has taught her. Featuring themes like trust, perseverance, joy, and encouragement, each two-page spread includes a photograph from the Gosselin family album, words from Kate, and topical Scripture verses. This book makes the perfect gift for any fan of the Gosselins television show Jon and Kate Plus 8, which is featured on TLC, as well as any mother struggling with the demands of small children.
