

El Metodo/ the Method (Spanish Edition)

Los hombres lo negaran. Las mujeres no lo creeran. Pero la eficacia del metodo es del 100%. ?Objetivo del metodo?: hacer del arte de llevarse mujeres a la cama una ciencia exacta. El autor, Neil Strauss, es un periodista de mucho prestigio que fue durante un tiempo critico de musica del New York Times y es autor de varios no-ficcion de gran exito. Strauss se infiltro en un grupo creciente en USA que se podria definir como maestros de la seducccion, un grupo de hombres que contactan por internet, siguen a un maestro o guru que imparte cursos presenciales (al parecer hay varios, con distintas tecnicas y enfoques, y uno de los que aparece Mystery es el personaje que inspiro a Tom Cruise en Magnolia) y dedican su vida a perfeccionar la tecnica de llevarse mujeres a la cama. Tienen su codigo de honor, un lenguaje propio, trucos y tecnicas supuestamente infalibles.
